Dear Friends,

Please join us as a sponsor of Inspire the Future Luncheon 2025! This event celebrates students and teachers — and your involvement is a critical part of their success. You'll hear from the Austin ISD Superintendent, teachers, and students whose work and lives are affected by your generosity.

Your sponsorship of this event enables innovative classroom projects, supports work to prepare our students for college and the workforce, and meets crisis needs throughout our district. Please consider an investment in our Austin ISD community — and come celebrate with us on October 14th!

With appreciation,

Barbara Knaggs and Rudy Garza
2025 Inspire the Future Luncheon Co-Chairs
